

Energy and Facilities Connections

Look what's happening spring of 2005!

Mark your calendar for the Energy and Facilities Management Conference coming soon to Wenatchee, Washington. This may be just the training you've been searching for. Top-quality training and tips from well-respected professionals from across the northwest will be bundled in a sleeves-up environment. Washington General Administration's Energy Team partners with the Plant Operations Support Consortium to bring incredible value in a variety of hot-buttoned topic areas. It'll happen May 11-12, 2005, at the Wenatchee Convention Center in Wenatchee, WA. Costs are being kept low to ensure maximum attendance. We'll be sure to keep you updated as the date nears.
